MEMORANDUM FOR: DEPUTY DIRECTOR (PLANS)
VIA: Assistant Director for Policy Coordination
SUBJECT: Amendment #1 to Project [REDACTED]

25X1A2d1

1. The allocation originally made for this project for FY 1952 was \$37,000, or a monthly allocation of \$3,083. Operational control of this project was turned over from the

[REDACTED] Branch on or about 1 November 1951. At that time \$19,664.25 had already been expended. This meant that during the first four months funds were expended at the rate of \$4,916 per month. In an effort to stay within the \$37,000 limit for FY 1952 [REDACTED] immediately cut expenditures. In the period from 1 November 1951 to 30 April 1952 this Branch has been able to limit expenditures to \$2,433 per month. These expenditures were made for salary

2. Despite these economies it will not be possible to meet all necessary obligations for the FY 1952 with the funds which remained available to this Branch under this project from 1 November 1951 to 1 July 1952.

3. It is therefore requested that an additional sum of \$2,500 be allocated to project [REDACTED] to cover expenditures under this project for the remainder of Fiscal Year 1952.
